Peak Performance Camp

Baseball performance demands quality training. Now is the time to develop the movement skills that will make your sport skills come alive!!

Benefits of a P&M Peak Performance Camp

- Improve rotational power to turn your bat into a beast...
- First-step quickness to get to any ball
- Flexibility that unlocks your top speed...
- Agility to become a true threat on the base path...
- Strength work to bullet-proof your joints!!

When you are ready for something different, when you are ready to see real change in your athleticism,.. you'll come see us.
